## Report

03/26/24

All stop sign post and signs received from the township have been changed out, the remaining signs ordered for the project should be completed by the middle of May. Rick Hinson O T Trustee is pleased with the progress.

We did gravel some of the berm on high street allowing for better passably, and graveled parts of Union Street. Additionally, we put down 2700#s of cold patch for potholes holes throughout the village e.g., main gateways off 52 and 52 in that general area, BNR Road out passed the school, ST Route 132 after the curve, some on Front St. and Old US52. It's an improvement but still more to be done.

Received an Update from Tim Cadwell (208 Susanna)  
Per the MOU Addendum the following items have been completed:

Section 1: Securing the Property - **COMPLETE**

Section 2: Sealing and Strengthening the Building Structure

-A structural assessment may identify vulnerabilities and safety concern - **COMPLETE**

-Necessary door & window repairs - **COMPLETE**

Section 3: Restoring The Property

-Front step - **COMPLETE**

-Landscaping enhancements - **COMPLETE**

-Removal of debris, graffiti, or any unsightly elements - **COMPLETE**

**Per the MOU Addendum the following items remain:**

Section 2: Sealing and Strengthening the Building Structure

-Roof repairs - **To Be Completed By 3/29/24**

Section 3: Restoring The Property

-Facade / Siding repairs - **To Be Completed By 3/29/24**

In addition, we have removed all debris and furniture from the inside of the house. I will be at the April 9<sup>th</sup> Council meeting to present the results to the council. If you have any questions, please do not hesitate to contact me, thanks again for all your help and please confirm that you received this message.

Shout Out to Joel/Kurtis for getting the tree off short hill last night.
