SRL Minutes  
August, 21, 2023  
Meeting Started at 5:34pm

Persons in attendance:  
Ryan M. Woodruff, Chairman  
Richard Feldkamp, Councilman  
Jon Tharpe, Councilman  
Glenn Ewing, Mayor  
Eric Williams, Police Chief  
Tim Feldkamp, Fire Chief

Guests in Attendance:  
Larry Prues, Councilman  
Dennis Dalton, Councilman

Chairman Woodruff opened the meeting. Discussion on items of concern were brought up. Specifics include the process in which we approve events. The department heads were asked to provide input on what their areas of concerns were as they related to community events. There was also discussion on fees that should be charged for these events as there is cost to the village at different levels in planning and operations.

Another topic was proposing a fee schedule for vacant residential and commercial properties. Chairman Woodruff indicated that the Planning Commission was working to develop legislation to bring to SRL Committee. There was also discussion on where the Planning Commission was as it pertained to Zoning Regulation updates and Zoning for drug rehab centers and dispensaries.

There was also an open discussion at the end of the meeting on the need to step up our village maintenance to enhance the overall appeal and look in the village. It was mentioned that all of our services help to enhance the overall vibe in the community. The importance of all services working in harmony and as efficient and effective as possible would benefit one another when the need arises for community support and funding.

With no other business needing discussed, the meeting adjourned at 6:10pm.

Ryan M. Woodruff  
Councilman  
Village of New Richmond, Ohio
