Richard Feldkamp,	Gary Skeene,	Paul Vanderbosch,
Rodney Henry,	Amanda Davidson,	Mary Allen

Councilperson Allen moved for adoption of the following:

WHEREAS, the Ohio Legislature has enacted electric deregulation legislation which authorizes the legislative authorities of municipal corporations, townships and counties to aggregate automatically, pursuant to Section 4928.20 of the Ohio Revised Code, subject to opt-out provisions, competitive electric service for the retail electric loads located in the respective jurisdictions and to enter into service agreements to facilitate the sale and purchase of the service for the electricity loads; and

WHEREAS, such legislative authorities may exercise such authority jointly with any other legislative authorities;

WHEREAS, governmental aggregation provides an opportunity for residential and small business customers collectively to participate in the potential benefits of electricity deregulation through lower electric rates which they would not otherwise be able to have individually;

WHEREAS, this Council seeks to establish a governmental aggregation program with opt-out provisions pursuant to Section 4928.20, Ohio Revised Code (the "aggregation Program"), for the residents, businesses and other electric consumers in the City and in conjunction jointly with any other municipal corporation, township, county or other political subdivision of the State of Ohio, as permitted by law.

NOW THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE VILLAGE OF NEW RICHMOND, STATE OF OHIO:

SECTION 1. This Council finds and determines that it is in the best interest of the Village of New Richmond, its residents, businesses and other electric consumers located within the corporate limits of the Village to establish the Aggregation Program in New Richmond. Provided that this Ordinance and the Aggregation Program is approved by the electors of the Village of New Richmond pursuant to Section 2 of this Ordinance, The Village of New Richmond is hereby authorized to aggregate in accordance with Section 4928.20, Ohio Revised Code, the retail electrical loads located within the Village of New Richmond, and, for that purpose, to enter into service agreements to facilitate for those loads

the sale and purchase of electricity. The Village of New Richmond may exercise such authority jointly with any other municipal corporation, township or county or other political subdivision of the State of Ohio to the full extent permitted by law. The aggregation will occur automatically for each person owning, occupying, controlling, or using an electric load center proposed to be aggregated and will provide for the opt-out rights described in Section 3 of this Ordinance.

SECTION 2. The Board of Elections of Clermont County is hereby directed to submit the following question to the electors of the Village of New Richmond at the general election on November 7, 2017.

“Shall the Village of New Richmond have the authority to aggregate the retail electric loads located in the Village, and for that purpose, enter into service agreements to facilitate for those loads the sale and purchase of electricity, such aggregation to occur automatically except where any person elects to opt out?”

The Clerk of this Council is instructed immediately to file a certified copy of this Ordinance and the proposed form of the ballot question with the County Board of Elections not less than ninety (90) days prior to November 7, 2017. The Aggregation Program shall not take effect unless approved by a majority of the electors voting upon this Ordinance and the Aggregation Program provided for herein at the election held pursuant to this Section 2 and Section 4928.20 of the Ohio Revised Code.

SECTION 3. Upon the approval of a majority of the electors voting at the election provided for in Section 2 of this Ordinance, this Council individually or jointly with any other political subdivision, shall develop a plan of operation and governance for the Aggregation Program. Before adopting such plan, this Council shall hold at least two public hearings on the plan. Before the first hearing, notice of the hearings shall be published once a week for two consecutive weeks in a newspaper of general circulation in the City. The notice shall summarize the plan and state the date, time, and location of each hearing. No plan adopted by this Council shall aggregate the electrical load of any electric load center within the City unless it in advance clearly discloses to the person owning, occupying, controlling, or using the load center that the person will be enrolled automatically in the Aggregation Program and will remain so enrolled unless the person affirmatively elects by a stated procedure not to be so enrolled. The disclosure shall state prominently the rates, charges, and other terms and conditions of enrollment. The stated procedure shall allow any person enrolled in the Aggregation Program the opportunity to opt out of the program every three years without paying a switching fee. Any such person that opts out of the Aggregation Program pursuant to the stated procedure shall default to the standard service offer provided under division (a) of Section 4928.14 or division (d) of Section 4928.35, Ohio Revised Code until the person chooses an alternative supplier.

SECTION 4. This Council finds and determines that all formal actions of this Council concerning and relating to the adoption of this Ordinance were taken in an open meeting of this Council in accordance with Section 121.22 of the Ohio Revised Code, and that all deliberations of this Council and of any committees that resulted in those formal actions were in meetings open to the public in compliance with the law.

SECTION 5. This ordinance is hereby declared to be an emergency measure for the health, safety, and welfare of the citizens of the Village of New Richmond and shall take effect immediately. The emergency is necessary in order to meet the filing deadline with the Clermont County Board of Elections.
