COOPERATION AGREEMENT

THIS AGREEMENT BETWEEN THE BOARD OF COUNTY COMMISSIONERS OF CLERMONT COUNTY, OHIO, HEREINAFTER CALLED "COUNTY" AND THE VILLAGE OF NEW RICHMOND, OHIO, HEREINAFTER CALLED "VILLAGE".

WITNESSETH:

WHEREAS, the Congress of the United States has enacted the Housing and Community Development Act of 1974 (the "Act") which has as its primary objective, the development of viable urban communities, including federal assistance for the support of community development activities directed toward the following specific objectives:

1. The elimination of slums or blighted areas and the prevention of blighting influences and the deterioration of property and neighborhood and community facilities of importance to the welfare of the community, principally persons of low and moderate income;
2. The elimination of conditions which are detrimental to health, safety, and public welfare, through code enforcement, demolition, interim rehabilitation assistance, and related activities;
3. The conservation and expansion of the Nation's housing stock in order to provide a decent home and a suitable living environment for all persons, but principally those of low and moderate income;
4. The expansion and improvement of the quantity and quality of community services, principally for persons of low and moderate income, which are essential for sound community development and for the development of viable urban communities;
5. A more rational utilization of land and other natural resources and the better arrangement of residential, commercial, industrial, recreational, and other needed activity centers;
6. The reduction of the isolation of income groups within communities and geographical areas and the promotion of an increase in the diversity and vitality of neighborhoods through the spatial deconcentration of housing opportunities for persons of lower income and the revitalization of deteriorating or deteriorated neighborhoods to attract persons of higher income;
7. The restoration and preservation of properties of special value for historic, architectural, or esthetic reasons;

8. The alleviation of physical and economic distress through the stimulation of private investment and community revitalization in areas with population out-migration or a stagnating or declining tax base;
9. The conservation of the Nation's scarce energy resources, improvement of energy efficiency, and the provision of alternative and renewable energy sources of supply.

WHEREAS, both the Village and the County are desirous of entering into community development activities within Clermont County which are directed toward the above specific objectives, and for that reason, desirous of seeking such Federal funding as may be available to them pursuant to the Act; and

WHEREAS, the Act contemplates and encourages the joining together by agreement of counties and cities with populations of fewer than 50,000, for the purpose of carrying out the objectives of the Act; and

WHEREAS, Cities, Villages and Counties in Ohio have authority under Section 307.15(A)(2) of the Ohio Revised Code to enter into agreements whereby a Board of County Commissioners undertakes, and is authorized by the contracting subdivision, to exercise any power, perform any function, or render any service, in behalf of the Village, which such Village may exercise, perform or render; and

WHEREAS, the Village and the County each have authority to carry out the kinds of activities which are the objectives of the Act pursuant to Section 303.26 of the Ohio Revised Code, et seq., including, without limitation, removal of slum and/or blighted areas as defined in Section 1.08 of the Ohio Revised Code; and

WHEREAS, the Village and the County have agreed that it is in the best interests of carrying out the objectives of the Act within Clermont County that the Village and the County should join together in both the Community Development Block Grant (hereinafter referred to as CDBG) and HOME Investment Partnerships Programs (hereinafter referred to as HOME) and Emergency Solutions Grant Program (hereinafter referred to as ESG);

NOW, THEREFORE, the County and the Village do mutually agree as follows:

1. The County shall prepare and submit an application to the United States Secretary of Housing and Urban Development for Urban County Qualification, including a grant under the terms of the Housing and Community Development Act of 1974 as Amended. This application shall set forth a summary of a community development plan which identifies community development needs, demonstrates a comprehensive strategy for meeting those needs, and specifies both short and long term community development objectives, which have been developed in accordance with area wide development planning and national urban growth policies, and otherwise conform with Section 104 of

the Act. The community development plan described above shall hereinafter be called the "plan". The County shall also prepare and submit an application for "HOME" funds and "ESG" funds as they are made available. By executing this agreement and participating in the Clermont County Programs, the Village understands that it may not apply for grants under the Small Cities or State CDBG Program nor participate in a HOME consortium except through Clermont County.

2. The Village may prepare recommended projects and activities for community development within its boundaries, which activities and objectives must be in accordance with the objectives of the Act. These shall be submitted to the Clermont County Department of Economic and Community Development (the "Department") which has been designated by the Board of County Commissioners of the County as the reviewing agency for all proposed objectives and activities to be included in the plan. It is understood between the parties that the Department shall make recommendations to the County Commissioners for the contents of the plan and for recommended priorities among these various projects and activities which may be submitted. It is also understood between the parties that the County will have the authority and responsibility to make decisions concerning the contents of the plan, and that the projects and activities for which approval and urban county formula funding is sought under the application shall be in conformance with the purposes of the Act. It is understood between the parties that the Act places emphasis on urban areas in providing for the distribution of urban county formula funds.
3. If projects or activities with the Village are approved and funded, pursuant to the application, the Village may elect the implementation of those portions of the plan which are to take place within its boundaries, or it may elect to have the County implement that portion of the plan. The parties acknowledge that, whatever the Village election, the County will have the responsibility and authority for the overall implementation of the program and for the proper use of the urban county formula funds and for any program income generated from the expenditure of such funds in accordance with the requirements of the Act.
4. The County shall develop a uniform administrative procedure for the development of the Application and the distribution of urban county formula funds. These procedures will of necessity reflect the requirements of the Secretary of Housing and Urban Development and the regulations which the Secretary may develop for the distribution and expenditure of urban county formula funds.

5. The Village authorizes the County to do on behalf of the Village, in accordance with the conditions of this agreement, all things which the Village could do for itself in the making of the application for, and the expenditure of, urban county formula funds.
6. The Village and County will cooperate to undertake, or assist in undertaking, community renewal and lower income housing assistance activities, specifically urban renewal and publicly assisted housing. The parties further agree not to obstruct or restrict the implementation of the approved Consolidated Plan during the course of this agreement.
7. This agreement is for the Program Year 2018, 2019 and 2020, July 1, 2018, through June 30, 2020, and may not be terminated by either party, except if the County fails to qualify as an urban county or if the County does not receive a grant in any year of this period, in which case this agreement is null and void. The parties further agree that this agreement will remain in effect until the CDBG and/or HOME and/or ESG funds and program income received with respect to this three year period are expended and the funded activities completed. This agreement will be automatically renewed for the successive three year period (2021, 2022 and 2023) and each period thereafter unless the Village cancels the agreement with written notice on or before June 30 of the prior program year. Both the Village and the County will adopt any amendment to the agreement incorporating changes necessary to meet the requirements for cooperation agreements set forth in an Urban County Qualification Notice applicable for a subsequent three-year urban county qualification period; will submit such amendment to HUD as provided in the urban county qualification notice; and recognizes that such failure to comply will void the automatic renewal for such qualification period.
8. Both the County and Village agree to take all actions necessary to assure compliance with the urban County's certification required by Section 104(b) of Title I of the Housing and Community Development Act of 1974, as Amended, including Title VI of the Civil Rights Act of 1964, The Fair Housing Act; Section 109 of Title I of the Housing and Community Development Act of 1974; the Americans with Disabilities Act of 1990; and other applicable laws. Further, urban county funding shall be prohibited from any cooperating unit of general local government that does not affirmatively further fair housing within its own jurisdiction or that impedes the County's actions to comply with its fair housing certification.
9. The Village has adopted and is enforcing:
 - a. a policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and

IN WITNESS WHEREOF, the parties have hereunto executed this agreement in duplicate with the intent to be legally bound thereby.
